Import Regulations:

According to Bangladesh import policy, for commercial & SUVs, one can import a unit coming under 5years old range. For passenger vehicle, one is eligible to import a 3-year-old vehicle from its manufacturing date.

Import Duty:

Duty structure for import unit is prescribed by Bangladesh government. Duty of the car depends on three main factors.

Engine capacity (CC)

Manufacturing year

Hybrid or normal

*** Duty for commercial vehicles are different from regular unit which are to be known from custom house.**

Document Handling:

All documents are couriered to customer through DHL to the customer prescribed address. The documents include original B/L (Bill of Landing), Export certificate (Tohan) and invoice of unit purchased.

*** Extra available accessories (keys, navigation card) are also couriered to the customer.**
